1. Client	:	Is there a possibility for a pension plan?
E. Mendoza	:	Enroll in SSS. MBA can assist in enrollment. Perhaps in the future, MBA can also help in the collection of the SSS premiums.
R. Cristobal	:	SSS is thinking of offering Unemployment Insurance in the future
2. B. Manager	:	Client is already 66 years old but has already withdrawn. In case of pension Product offering, can client return to the program?
D. Olaveja	:	Once withdrawn, client can no longer return under the program but for those who have remained and have already reached 66 and up, they can continue with their policy.
